PROJECT GOALS:

- **Prevent school dropouts by fostering stronger social bonds among disadvantaged students.**
- **Enhance inclusive education by facilitating partnerships that unite disadvantaged students.**
- **Encourage physical and social engagement among students.**
- **Cultivate students' love for both the environment and learning through ecological games.**
- **Foster understanding of diverse cultures and improve language skills, particularly in English.**
- **Improve students' communication proficiency in English.**
- **Promote international awareness and broaden worldviews by embracing cultural diversity.**
- **Provide a platform for students to forge friendships, play, compete, and share experiences with peers from around the world.**
- **Address social support for children through engaging activities.**
- **Channel students' physical, social, and intellectual capacities in positive directions.**
- **Heighten sensitivity to social, cultural, and environmental issues.**
- **Enable students to enjoy real-life activities such as sports, street games, creativity, and spending time in nature while learning the value of teamwork and identity.**
- **Combat xenophobia by fostering intercultural dialogue through games. Develop students' knowledge and appreciation of the diversity and shared values of European cultures.**
- **Build the capacity of participating schools in line with EU targets.**
- **Provide professional development opportunities for teachers involved in the project, fostering innovation and knowledge-sharing among educators and students alike.**
